

## **She Kleens: Fabrics (An IICRC Approved UFT Course)**

**This course is complete fabric cleaning. All courses include technical support.**

### **Benefits of this course:**

This course is designed to instruct and employ women cleaning fabrics, start a fabric cleaning business, or to sharpen their skills in cleaning all types of fabrics. It is a one-of-a-kind special offering from Restoration Training Services.

1. The She Kleens Course uplifts and provides valuable information on the very lucrative fabric cleaning industry.
2. Fabric cleaning has little or no competition, also providing one of the highest profit margins in all the cleaning industry.
3. This course is compact study of all the most important aspects of fabric cleaning: yarn production, some fabric manufacturing, yarn types, fabric fiber identification (hands-on), fabric styles, the T.A.C.T. Theory, descriptions of cleaning chemistry products, and equipment, spot and stain removal, safety concerns, and more. All possible fabrics discussed from silk, to sisal, to microfiber; and even some leather cleaning basics discussed if time permits. Some leather cleaning basics information is included in the textbook as a bonus! Look for our Leather Basics Course coming in 2023.
2. This is the most complete commercial and residential fabric cleaning course available.
3. It should be attended if you are performing fabric cleaning or fabric care inspections.
4. This special edition textbook and course UFT Textbook, RTS # 1004, is the most complete and color-load textbook on fabric cleaning ever produced. It is included with all live, in-person courses, or may be purchased online or by phone (949) 305-0307 (CA, USA) For book purchases, allow one to two weeks delivery.

### **The IICRC:**

The Institute of Inspection, Cleaning, Restoration, and Certification requires all courses to be free as possible of brand names and selling of products. We at Restoration Training Services, as one of their Approved Schools, will try our best to follow those guidelines for each attendee of IICRC Approved Courses. IICRC Course must be in a generic format whenever possible.

The IICRC Exam for Certification follows the conclusion of each IICRC Certification Course. Current fees are \$80.00 US dollars per person, per exam; and made payable to the IICRC in form of check, or credit card. No cash accepted by the IICRC. Receipts will be given to the attendee at class test time after payment is made. Certification is optional.
