

## The Cleaning Basics 101 Series: Fabric Cleaning

### (An IICRC Approved CEC Course)

Textbook # RTS1005CBSFC All courses include technical support.

#### Benefits of this course:

This course is designed to cover all the basics to cleaning fabrics of all type sin all opportunities: upholstery, blonds, drapes, automobiles, recreation vehicles, aircraft, watercraft, both designer, rental, indoor and outdoor fabrics discussed.

1. Fabric cleaning has little or no competition, also providing one of the highest profit margins in all the cleaning industry.
2. This course is compact study of all the most important aspects of fabric cleaning: yarn production, some fabric manufacturing, yarn types, fabric fiber identification (hands-on), fabric styles, the T.A.C.T. Theory, descriptions of cleaning chemistry products, and equipment, spot and stain removal, safety concerns, and more. All possible fabrics discussed from silk, to sisal, to microfiber. Look for our The Cleaning Basics 101 Series: Leather Cleaning Course coming soon. Call us for updates.
3. This is the most complete commercial and residential fabric cleaning course available.
4. Ideally, it should be attended before you purchase fabric cleaning tools or equipment for best information and clarity what to implement cleaning fabrics, and when to implement those tools and equipment.
5. This special edition textbook and course textbook, RTS # 1005, is the most informative and color-load textbook on fabric cleaning basics ever produced. It is included with all live, in-person courses, or may be purchased online or by phone (949) 305-0307 (CA, USA) For book purchases, allow one to two weeks delivery.

#### The IICRC:

ute of Inspection, Cleaning, Restoration, and Certification requires all courses to be free as possible of brand names and selling of products. We at Restoration Training Services, as one of their Approved Schools, will try our best to follow those guidelines for each attendee of IICRC Approved Courses. IICRC Course must be in a generic format whenever possible.

The IICRC CEC (Continuing Education Credits) are achieved by taking this course. A total of eight (8) CEC credits are accepted by attending. An IICRC CEC form is available at [www.IICRC.org](http://www.IICRC.org). Bring the form to class. For deeper study, attend our IICRC UFT class.
