

## The Cleaning Basics 101 Series: Commercial Carpet Cleaning

Textbook # RTS1008CBSCCC This course includes after course technical support.

### Benefits of this course:

1. This course is compact, fast-paced study of all the aspects of carpet cleaning: yarn production, carpet manufacturing, yarn types, carpet identification (hands-on), carpet styles, the major carpet installation issues affecting the cleaner, the T.A.C.T. Theory, descriptions of cleaning chemistry products, and equipment, spot and stain removal, safety concerns, and more. All the descriptions are centered around commercial carpeting only.
2. This is the most basic, yet fulfilling, low- cost commercial carpet cleaning course available.
3. This course gives you much of the information to clean area rugs.
4. This course is a great lead into area rug cleaning and fabric cleaning also.
5. Our Cleaning basics 101: Commercial Carpet Textbook, RTS # 1008, is the most complete and color-load textbook on carpet cleaning basics ever produced. It is included digitally with all live, in-person courses, or may be purchased online or by phone (949) 305-0307 (CA, USA) For book purchases, allow one to two weeks delivery.

### The IICRC:

The Institute of Inspection, Cleaning, Restoration, and Certification requires all courses to be free as possible of brand names and selling of products. We at Restoration Training Services, as one of their Approved Schools, will try our best to follow those guidelines for each attendee of IICRC Approved Courses. IICRC Course must be in a generic format whenever possible.

A copy of a blank CEC Form (Continuing Education Credit) can be downloaded from [www.IICRC.org](http://www.IICRC.org). Bring it to class. There are no certification costs from the IICRC for this course. For IICRC Carpet Cleaning Certification, attend an IICRC CCT or CMT Course from restoration Training Services.
